

## 2010/2011 Financial Guideline 06

### Grants payable to Non-Fee Paying Voluntary Secondary Schools by the Department of Education and Skills from January 1, 2011

1. **Standard Capitation Grant: €328** per capita less the contribution to teachers' salaries of **€562** per permanent whole time teacher (PWT). Deductions are not made for CIDs or any part time teacher. The grant is paid in three instalments in September, January and April.
2. **DEIS Grant (DEIS Schools only): €159** per student x disadvantage rating (usually 30%)

**The current grant scheme for DEIS schools expired on 31st December, 2010. The Department is currently compiling a new scheme and is at the preliminary stage of the process.**

3. **Support Services Grant: €201** per capita payable in three instalments in September, January and April. The minimum grant payable is set at **€40,200**.
4. **Grants for Secretaries:**
  - a) Basic Secretarial Grant - **€36** per capita up to a maximum of **€12,600**
  - b) SSSF Secretary Grant - **€24** per capita (Min. **€4,800**, Max. **€8,400**)

(School secretaries employed under 'the 1978 scheme' are paid directly by the DES and therefore any such school is not entitled to grants above regardless of its enrolment figure. However, if this secretary resigns/retires the school will be paid a grant based on enrolment figure subject to a maximum of 350)

5. **Grants for Caretakers:**

- a) Basic Caretaker Grant - **€30** per capita up to a maximum of **€10,500**
- b) SSSF Caretaker Grant - **€18** per capita (Min. **€3,600**, Max. **€6,300**)

To qualify for the **Basic Secretary or Caretaker Grants** a school must have an enrolment figure of at least 200 pupils. The grant is calculated by multiplying the enrolment figure by the rate per capita up to a maximum of 350 pupils. If a school subsequently falls below the 200 enrolment figure the grant is paid on the enrolment figure x rate. These grants are paid on previous school year enrolment figures.

The **SSSF Caretaker/Secretary Grants** are paid to schools receiving either of the above mainstream grants. A school in receipt of the Secretary Grant will receive the SSSF – Secretary Grant and a school in receipt of the Caretaker Grant will receive the SSSF – Caretaker Grant. Each eligible school will receive a minimum grant based on 200 pupils up to a maximum based on 350 pupils. Schools with enrolments between 200 and 350 will be paid on a pro rata basis.

Schools that have never reached a minimum enrolment figure of 200 pupils, and therefore are not in receipt of the Caretaker or Secretary grants, are still entitled to the SSSF Caretaker (€18 per student) and SSSF Secretary (€24 per student) grants at the minimum grant of 200 x Rate.

## 6. Tuition Grants

- a) **Transition Year Grant: €95** per student in Transition Year
- b) **Leaving Certificate Applied Grant: €151** per student in LCA
- c) **Junior Certificate Schools Programme: €60** per student in First Year JCSP

7. **Book Grant: €24** per student in non-DEIS schools and **€39** per student in DEIS schools. This grant will be incorporated into the April 2011 capitation payment.

## 8. Supervision/Substitution for School:

Total budget per school = **€1,769 x total WTE + 5%**

Teachers contracted to carry out supervision and substitution duties are paid directly by the Department of Education and Skills. The school receives the balance not paid to contracting teachers to pay for additional supervision and substitution plus 5% of the total for administration purposes.

9. **Grant Special Needs Class: €191** per special needs student. This grant is only payable where there is an approved dedicated special needs class or school.

10. **Irish and Bi-Lingual Grants: €15** per student where all subjects are taught through Irish and **€2** where at least four subjects are taught through Irish.

11. **Grant for Traveller students is €201** per student.

12. **Capital Grants:** With prior Trustee approval, the Board of Management may seek capital funding from the Department of Education and Skills if the Board considers that the school needs extra classrooms, refurbishment, an extension or a new building. For detailed guidelines, see DES Circular M32/02. Grants for capital expenditure may be issued under the following categories:

- New building and Extensions
- Extensive refurbishment/conversion works (over €500,000)
