Key to the success of Way2Pay is its ease of use

School MIS / Databases:

Way2Pay can replicate your school and class structure as per your MIS regardless of which MIS or database you use. Updates can be brought over at the click of a button.

School Financial Systems:

Way2Pay can be configured as per your schools financial system and match your cost centre and ledger codes and give you full details for full reconciliation. All payments are fully traceable and auditable down to student, class and activity.

Features also include:

- Flexible income type coding
- General ledger mapping
- Customised reports: SUN, Mansor, etc.
- Exports in multiple formats: CSV, XLS, XML, etc.

To arrange a demonstration

Updates can be brought over at the click of a button. Simply email way2pay@three.ie and a member of our team will be in touch. We will also be hosting a number of roadshows nationally where you can see Way2Pay in use.

Testimonials

You can also log on to our website at www.way2pay.ie to see testimonials from our existing customers.

Customer Testimonial – “*Staff training in the daily use of Way2Pay was completely hassle-free and the system was embraced because of its very intuitive layout and functionality which I can only describe as unrivalled*” - Donncha Ó Treasaigh, Gaelcholáiste Luimnigh.

As part of our commitment to schools, all schools will receive full training on Way2Pay. School training and support is available as soon as you have returned the school booking form. Our team will work with you through the whole process.
