INDEPENDENT AUDITORS' REPORT TO THE PATRON/TRUSTEE (in schools where there are trustees) For the period ended 31 August 2019.

We have audited the financial statements on pages 5 to 7 for the period ended 31 August 2019. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

This report is made solely to the school Patron/Trustee (in schools where there are trustees), as a body, in accordance with Article 15 of the Articles of Management and Section 18 of the Education Act 1998. Our audit work has been conducted so that we might state to the school Patron/Trustee (in schools where there are trustees) those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the school and the school Patron/Trustee (in schools where there are trustees) as a body, for our audit work, for this report, or for the opinions we have formed.

Respective Responsibilities of Board of Management and Auditors

Our responsibility is to Audit the financial statements in accordance with relevant legal and regulatory requirements and Auditing Standards promulgated by the Auditing Practices Board in Ireland and the United Kingdom. We have been appointed as Auditors under the requirements of the Education Act 1998 and report in accordance with the guidelines contained therein and in the Governance manuals for Primary schools.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Governance manuals and the Education Act. We also report to you whether in our opinion:

- Proper books of account have been kept by the school;
- Whether the information given in the Board of Management's Report is consistent with the financial statements.

In addition, we state whether we have obtained all the information and explanations necessary for the purposes of our audit and whether the school balance sheet and its income and expenditure account are in agreement with the books of account.

We read the Board's report and considered the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence, relevant to the amounts and disclosures in the financial statements.

It also includes an assessment of the significant estimates and judgements made by the Board in the preparation of the financial statements, and whether the accounting policies are appropriate to the school's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

In our opinion the financial statements give a true and fair view of the state of the school's affairs as at the 31st August 2019 and of its surplus / deficit for the period then ended and have been properly prepared in accordance with the Education Act 1998.

We have obtained all the information and explanations we consider necessary for the purposes for our audit. In our opinion, the school has kept proper books of account. The financial statements are in agreement with the books of account.
