

Financial Guideline P02 - 2019/2020

The Annual VAT Return of Trading Details (RTD)

All schools registered for VAT must complete a **Return of Trading Details (RTD)** annually. This is due with the final VAT return of your accounting year. For most schools this is the July-August return, due 23rd of September. The VAT accounting year end should be in line with the school accounting year end of 31st August. To change the VAT accounting year end, please submit a request via myEnquiries on ROS.

If you have had a building or repair project, you may have paid VAT during the year. If you have not paid VAT, you will still have to make a '0' RTD return. The RTD return must be made online via Revenue Online Services (ROS).

Webinar/Video

A webinar demonstrating how to complete the VAT RTD form on ROS is available to watch on our website. [Click here to watch video.](#)

If the VAT accounting year end is 31st August, when you make your VAT 3 return for July/August you will be brought automatically to a VAT RTD input screen.

Choose 'yes' when asked if you have supplied goods/services.
