

## Financial Guideline 2019/2020 - 28

### Voluntary Secondary Schools

#### Grants payable to Non-Fee Paying Voluntary Secondary Schools School year 2019/2020

1. **Standard Capitation Grant: €309** per capita less the contribution to teachers' salaries of **€562** per each Permanent/CID whole time equivalent (WTE) teacher on the DES payroll. The grant is paid in three instalments based on current enrolment:

**September 2019: €103 per capita; January 2020: €103 per capita; April 2020: €103 per capita.**

**N.B. Where the school's enrolment increases or decreases, the September and January payments are calculated on 2018/2019 enrolment and the full adjustment for current year enrolment is applied to the April payment.**

2. **DEIS Grant (DEIS Schools only):** Queries in relation to the DEIS grant should be directed to Social Inclusion Unit in the Department of Education and Skills.
3. **Support Services Grant: €222** per capita in 2019 and **€223.5** per capita in 2020 payable in three instalments in September, January and April. The minimum grant payable for 2020 is set at **€44,700**.
4. **Grants for Secretaries:**
  - a) Basic Secretarial Grant - **€40** per capita. The maximum grant payable for 2020 is set at **€14,000**.
  - b) SSSF Secretary Grant - **€26.50** per capita. The minimum grant payable for 2020 is set at **€5,300** and the maximum grant is set at **€9,275**.

(School secretaries employed under the 1978 scheme are paid directly by the DES and therefore any such school is not entitled to the secretarial grants above regardless of its enrolment figure. However, if this secretary resigns/retires the school will be paid a grant based on enrolment figure subject to a maximum of 350).

## 5. Grants for Caretakers:

- a) Basic Caretaker Grant - **€34** per capita. The maximum grant payable for 2020 is set at **€11,900**.
- b) SSSF Caretaker Grant - **€20.50** per capita. The minimum grant payable for 2020 is set at **€4,100** and the maximum grant is set at **€7,175**.

To qualify for the **Basic Secretary or Caretaker Grants** a school must have an enrolment figure of at least 200 pupils. The grant is calculated by multiplying the enrolment figure by the rate per capita up to a maximum of 350 pupils. If a school subsequently falls below the 200 enrolment figure the grant is paid on the enrolment figure x rate.

The **SSSF Caretaker/Secretary Grants** are paid to schools receiving either of the above mainstream grants. A school in receipt of the Secretary Grant will receive the SSSF – Secretary Grant and a school in receipt of the Caretaker Grant will receive the SSSF – Caretaker Grant. Each eligible school will receive a minimum grant based on 200 pupils up to a maximum based on 350 pupils. Schools with enrolments between 200 and 350 will be paid on a pro rata basis.

Schools that have never reached a minimum enrolment figure of 200 pupils, and therefore are not in receipt of the Caretaker or Secretary grants, are still entitled to the SSSF Caretaker (€20.50 per student for 2020) and SSSF Secretary (€26.50 per student for 2020) grants at the minimum grant of 200 x Rate.
