Covid-19 Capitation Grant Funding for Term 2 2021/2022

1. Introduction

The Department of Education has issued notice to schools that Covid-19 Capitation grant funding for Term 2 of the 2021/22 school year will be issued in early January 2022.

2. Payments to Schools

Covid-19 Capitation grant payments will be calculated using the same per capita rates as applied for Term 2 of the 2020/21 school year and will be based on enrolments for September 2020. The rate is adjusted to reflect that Term 2 is shorter than Term 1.

Grant Rates

Post-Primary	Rate per Pupil	
	Mainstream	Special Classes
Enhanced Cleaning	€11	€13.33
PPE	€24	€96
Enhanced Supervision	€35	€35

Illustrative examples of the values of these grants payable for schools of various sizes are set out below:

3. Fee charging schools

Post-Primary Schools in the Fee Charging Sector whose application for Covid-19 capitation funding in 2020/21 was successful will automatically qualify for funding in Term 2 2021/22.

4. Utilisation of grants

- i. Schools may utilise funding provided across the range of grants to ensure adequate cash flow at certain times.
- ii. Income and expenditure **must continue** to be recorded in school accounts and attributed to the individual grants as appropriate.

A school must record the COVID grant income and expenditure in the accounting system using a department/division named COVID. The [FSSU chart of accounts](#) has designated codes for each COVID grant and schools should process the transactions to these codes.
