Covid-19 Capitation Grant Funding for Term 1 2022/2023

1. Introduction

The Department of Education has issued the [Notice regarding Covid-19 Capitation funding Supports](#) to schools that Covid-19 Capitation grant funding for Term 1 of the 2022/23 school year will be issued shortly.

The Enhanced Cleaning and PPE grant payments are being combined into one payment for Term 1 2022/23 i.e. COVID-19 Combined Cleaning Supports and Sanitiser/PPE Grant. As there is no longer a requirement for physical distancing in schools the Covid-19 Capitation grant in respect of enhanced supervision will not be paid for the school year 22/23.

2. Payments to Schools

Grant payments for Term 1 of the 2022/23 school year will be calculated using the same per capita rates as applied for Term 1 of the 2021/22 school year and will be based on recognised enrolments for September 2021.

However, it is important to note that the Enhanced Cleaning and PPE grant payments are being combined into one payment for Term 1 2022/23 i.e. COVID-19 Combined Cleaning Supports and Sanitiser/PPE Grant. The total value of the Combined Cleaning and PPE Grant will be the same as the two separate grant payments previously received.

Grant Rates

Grant	Rate per Pupil	
	Mainstream	Special Classes
Combined Cleaning and PPE Rate	€43.00	€141.33

*Note the grant paid to schools with an enrolment of equal to or less than 200 pupils is based on a minimum enrolment of 200 pupils.

Illustrative examples of the value of the combined cleaning and PPE grant payable for schools of various sizes are set out below:

Value of Covid-19 Capitation Grants – Mainstream Rate – Term 1 22/23 School Year	
Pupil Enrolment	Combined Cleaning and PPE
Up to 200	€8,600
400	€17,200
600	€25,800
800	€34,400
1600	€68,800

Schools that are currently in the developing stage will have the additional supports calculated based on the projected enrolment for September 2021.

3. Fee charging schools

Schools in the Fee Charging Sector whose application for Covid-19 capitation funding in 2020/21 and 2021/22 was successful will automatically qualify for funding in Term 1 2022/23.

4. Utilisation of grants

- i. Schools may utilise funding provided across the range of grants to ensure adequate cash flow at certain times.
- ii. Income and expenditure **must continue** to be recorded in school accounts and attributed to the relevant grants as appropriate.
- iii. Schools are reminded to ensure that stocks are managed and procured appropriately to avoid overstocking of supplies. This is to ensure value for money is being achieved and to avoid wastage.

See the following financial guidelines for further information on the utilisation of these grants:
