

Financial Guideline 2022/2023 – 26

Community & Comprehensive Schools

Grants payable to Community & Comprehensive Schools School year 2023/2024

This guideline supersedes guideline 27-2021/2022- Grants payable to Community & Comprehensive Schools School Year 2022/2023.

The following grants are subject to changes as a result of changes in funding due to the changes outlined in [Circular 36/2022](#) “Revision of Salaries and Annual Leave arrangements for School Secretaries employed in recognised primary and post primary schools”, or as a result of government budgetary changes. These changes have not yet been communicated by the Department of Education.

- 1. Non-Pay Grant:** From the 1st September 2023 the rate is €276.00 per pupil. The non-pay grant is designed to cover normal school running costs.

There is a 25% deduction to the Non-Pay Grant for PPP schools.

The non-pay budget also includes a provision of €10,000, plus an additional capitation grant of €6.00 per pupil under the heading of *Minor Works of a Capital Nature*. Minor Works Grant is not payable to PPP schools.

The grant is paid in four instalments: January, April, July and October.

N.B. January and April payments are calculated based on 90% of the previous year budget divided by four with one quarter paid in January & one quarter paid in April. Full adjustment for the current year enrolment is applied to the July and October payments which is paid in two equal amounts.

- 2. Non-Teaching Pay Grant:** This grant is designed to cover the cost of staffing allocations approved by the Department. The grant is based on the sanctioned staff numbers and salary based on Department approved salary scales. Schools Financial Division should be

notified of all changes to sanctioned staff. It should also be noted that approval **must** be sought for all new sanctioned staff from Schools Division Financial.

Contributory pension scheme for full-time non-teaching employees:

A deduction corresponding to the annual total of such pension contributions is made by the Department from the individual school grant, this started in 2021.

See [Financial Guideline 2020/2021-22](#) for further details.

There is no Departmental sanction given for Caretakers and Cleaners in PPP schools.

The grant is paid in four instalments: January, April, July and October.

N.B. January and April payments are calculated based on 90% of the previous year budget divided by four with one quarter paid in January & one quarter paid in April.
