If you have not yet completed the year end process for 31 August 2023 you cannot import the budget for 2024/2025. See <u>here</u> for guidance on rolling over the financial year in.

- 4.3 Select **"AOD"** for the department.
- 4.4 Then select 'Import'.
- 4.5 If all is in order you will get a message "Monthly Budget data successfully queued for import. Your Queue position is xx". This is a new feature that has been introduced, that shows the user the queue at which they are placed while importing the required file. The monthly budget import details start successfully being imported, once the turn-in queue comes. This may take a short while.
- 4.6 If you have the budget broken down between departments and wish to compare different department income and expenditure against budget, you will need to prepare a separate import template for each department. After each department balance has been imported the remaining balances should be entered under "AOD".

This is not required for the board of management reports recommended by the FSSU and is at the discretion of the school.

4.7 Run the Income & Expenditure report for September 2024, to verify the budget figures.

5 Editing the budget in BrightBooks

The Budget figures can be edited in BrightBooks in the general ledger section.

5.1 Go to the 'General ledger' module > 'Chart of Accounts'. Click on the 'Budget' button and select either 'Future Period-Monthly', if you have not yet completed the year end process for the year ended 31 August 2024

or 'Current Period-Monthly' if you have completed the year end process, and the financial year end is set to 31 August 2025
