

**Circular Letter 0054/2025**

**To: The Management Authorities of Community and Comprehensive School**

**Revision of Salaries of School Secretaries and School Maintenance Staff in Community and Comprehensive Schools under the Public Service Agreement 2024 – 2026**

**Application of pay adjustments with effect from 1 August 2025**

**Introduction**

1. The Minister for Education and Youth wishes to inform management authorities of revised rates of salary and allowances of School Secretaries and School Maintenance Staff in Community and Comprehensive Schools with effect 1 August 2025 in accordance with the Public Service Agreement 2024 – 2026.
2. This circular sets out the increases to pay due on 1 August 2025 as provided for under the Agreement.

**Salary increases to be implemented under Public Service Agreement 2024-2026**

3. Under Public Service Agreement 2024-2026, a 1% pay adjustment was agreed and will be implemented with effect from 1 August 2025.
4. In accordance with Section 3.1 of the Public Service Agreement whole-time annual basic scale salaries will be increased by 1% with effect from 1 August 2025.
5. The revised salary scales to affected staff are set out at Appendix 1.
6. All salary scales payable to School Secretaries and School Maintenance Staff in Community and Comprehensive Schools set out in previous Circulars are superseded by the terms of this Circular with effect from 1 August 2025.
7. Overpayments will be dealt with in accordance with the procedures set out in Circular 0084/2015.
8. The pay of part-time staff will be revised, in accordance with normal arrangements, by reference to the pay of whole-time staff to which they are related for pay purposes in accordance with this Circular.

**Allowances**

9. The Agreement also provides for increases to allowances in the nature of pay of 1% from 1 August 2025. Allowances which are calculated as a specific percentage or specified portion of basic pay should be calculated by reference to the revised rates of pay with in effect from 1 August 2025.

### **Deductions from Pay**

10. Deductions from pay which are expressed as a percentage of pay (e.g., income continuance plans, union subscriptions) fall to be recalculated by reference to the revised rates of pay provided for in this letter.

### **Pension Increases**

11. The principle of pay parity in pension increases for pre-existing public service schemes<sup>1</sup> has been agreed up to 30 June 2026 in line with the Public Service Agreement 2024-2026 subject to a separate instruction from the Department of Public Expenditure, Infrastructure, Public Service Reform and Digitalisation. Civil service pension increases should be passed on to pensions in line with that policy. Guidance on the methodology for calculating these pension increases is appended to 24 September 2024's letter to HR Managers / Pension Administrators<sup>2</sup>
12. Single Public Service Pension Scheme ('Single Scheme') pensions are updated in line with the Consumer Price Index (CPI), subject to a separate instruction from the Department of Public Expenditure, Infrastructure, Public Service Reform and Digitalisation. Therefore, Single Scheme pensions in payment in respect of former public servants who served in grades to which this circular applies will not be adjusted with reference to the revisions of basic pay set out in this Circular.

### **Pension revisions for pre-existing public service pension schemes**

13. The pensions of those who are members of a pre-existing public service pension scheme (Non-Single Scheme) which are in payment from 1 August 2025 in respect of former Public Servants who served in grades to which this circular applies, will be adjusted as appropriate in the normal way, by reference to the revisions of basic pay set out in this Circular. Departments/Offices which, under delegated authority, grant pensions and lump sums may, subject to any necessary prior consultation with this Department, revise pension payments strictly in accordance with this circular.
14. The lump sums of the officers in the grades to which this Circular applies who retired on or after 1 August 2025 should also be revised by reference to the revisions of basic pay set out in this circular as appropriate. Deductions from lump sums in respect of non-periodic contributions (such as under Spouses and Children's Pension Schemes) should also be adjusted in these cases. The lump

sum of officers in the grades to which this circular applies who retired before 1 August 2025 should not be adjusted.

15. Pensions for officers who retired after 1 August 2025 which were evaluated for the Pension Benefit Cap<sup>3</sup> under Section 52 of the Public Service Pensions (Single Scheme and Other Provisions) Act 2012, will need to be re-evaluated in the context of the increases outlined in this circular.
16. Pensions for officers who are currently re-employed in the public service and whose pensions were evaluated for Pension Abatement<sup>4</sup> under Section 52 of the Public Service Pensions (Single Scheme and Other Provisions) Act 2012, will need to be re-evaluated in the context of the increases outlined in this circular. A pensioner, not previously subject to abatement, may now be subject to abatement as a result of the increases.

### **Pension revisions for the Single Public Service Pension Scheme**

17. For Single Scheme pensioners who were working as public servants (in grades to which this circular applies) on 1 August 2025 and subsequently retired in the period from 1 August 2025 until such date as this pay adjustment takes effect, their referable amounts accrued, and contribution deductions owed will be re-calculated. Lump sum and pensions paid will then be adjusted, as appropriate.

This aforementioned calculation should also be undertaken by Relevant Authorities for the following classes:

- Cost-Neutral Early Retirement (CNER)
- Ill-Health Retirement (including Short Service Gratuity)
- Pension Adjustment Orders (PAOs)
- Death-in-Service (Spouse / Partner / Eligible Child)
- Death Gratuity
- Any other relevant cases

Final Retirement Benefit Statements and Leaver Statements for Single Scheme members in the grades to which this circular applies, who were working as public servants on the dates of the revisions of basic pay and who subsequently retired or left their respective Relevant Authority may also have to be adjusted, as appropriate.

Please note that, as previously stated, the lump sum and pensions of officers in the grades to which this circular applies who retired before 1 August 2025 should not be adjusted.
