

Primary Curriculum Grants to Support the Implementation of the Wellbeing Curriculum

1. Introduction

The Department of Education and Youth has allocated funding for primary and special schools in the free education system to purchase physical resources to support the new Wellbeing Specification.

2. Rate

The Primary Curriculum Grant has been paid to schools and is calculated as follows:

- **Fixed payment per school:**
 - €400 - 1 to 30 pupils
 - €500 - 31-50 pupils
 - €750 - 51 - 150 pupils
 - €1000 - over 151 pupils
- **Per-pupil payment:** €13.10
- **DEIS/SEN rate per pupil:** €15.10

The grant amount is based on 2025-2026 student enrolment.

3. Main features of the Grant

This grant is strictly for resources and materials that support the implementation of the Wellbeing Specification curricula. **ICT equipment is not covered** as separate ICT grants address these needs. Further details on what funding can be used can be found [here](#).

4. Financial Oversight

The grant income and expenditure should be recorded appropriately in the school's accounts using the following codes.

Nominal Code	Type	Description
3170	Income	Other Subject Grant
4490	Expense	Other Subject Expense

- **Grant Unspent:** As the grant is ringfenced, any unspent amount must be included in the balance sheet at the year-end under the account code 2171 Other Non-Capital Ringfenced Grants Unspent.
- Schools must ensure compliance with [DPER Circular 13/2014, Management of and Accountability for Grants from Exchequer Funds](#).

5. Procurement

Schools can choose the resources and suppliers that best meet their needs. When purchasing resources, schools must follow public procurement rules to ensure value for money. It is recommended to obtain at least 3 quotes and maintain full records for audits. Schools can contact the [Schools Procurement Unit](#) for support on procurement.
