Grants payable to Non-Fee Charging Voluntary Secondary Schools School Year 2026/2027

1. **Standard Capitation Grant: €406** per pupil. The grant is currently paid in three instalments of €135.33 per instalment and is based on current enrolment. There is a 25% deduction to the standard capitation grant for PPP schools.

   N.B. Where the school's enrolment increases or decreases, the first two payments are calculated on 2025/2026 enrolment and the full adjustment for current year enrolment is applied to the final payment.

2. **DEIS Grant (DEIS Schools only):** Schools included in the School Support Programme under DEIS receive a grant which is based on the level of concentrated disadvantage in each school and the school's enrolment. Queries in relation to the DEIS grant should be directed to Social Inclusion Unit in the Department of Education and Youth.

3. **School Services Support Fund (SSSF)**: **€227.90** per pupil. The minimum grant payable is set at **€45,580.** There is a 25% deduction of the SSSF Grant applied to PPP schools.

4. **Grants for Secretaries:** Applies to those schools that employ secretaries who did not transfer to the Department's payroll in September 2023 or thereafter.

   a) Basic Secretarial Grant - **€40.60** per pupil. The maximum grant payable is set at **€14,210.**
   b) SSSF Secretary Grant - **€26.90** per pupil. The minimum grant payable is set at **€5,380** and the maximum grant is set at **€9,415**.

   - School secretaries employed under the 1978 scheme are paid directly by the Department and therefore any such school is not entitled to the secretarial grants above regardless of its enrolment figure.

   - School secretaries employed in approved posts funded by monies provided by the Oireachtas and who are covered by the terms of the 2022 Workplace Relation Commission (WRC) agreement and the terms of Circular 0036/2022: Work is ongoing to identify a method of standardizing the reduction to the support

services/ancillary grants for the longer term where school secretaries are being paid on the Department payroll.

- For the purpose of preparing the school budget for the school year 2026/27 where a school secretary has moved to the Department of Education and Youth payroll, we have based the calculation of the grants on the arrangements as set out in the letter from the Department of Education and Youth 27th April 2026.

- These schools will have the ancillary grant due reduced to reflect the fact that schools are no longer paying these staff directly.
  - Grant: Basic Secretary Grant, SSSF Secretarial Grant and School Services Support Fund (SSSF) Grant
  - Less: Annual grant funded salary plus Employer PRSI

5. Grants for Caretakers:

a) Basic Caretaker Grant - **€34.50** per pupil. The maximum grant payable is set at **€12,075**.

b) SSSF Caretaker Grant - **€20.80** per pupil. The minimum grant payable is set at **€4,160** and the maximum grant is set at **€7,280**.

To qualify for the **Basic Secretary or Caretaker Grants** a school must have an enrolment figure of at least 200 pupils. The grant is calculated by multiplying the enrolment figure by the rate per capita up to a maximum of 350 pupils. If a school subsequently falls below the 200 enrolment figure, the grant is paid on the enrolment figure multiplied by the rate. PPP schools are not entitled to the grants for caretakers.

The **SSSF Caretaker/Secretary Grants** are paid to schools receiving either of the above mainstream grants. A school in receipt of the Secretary Grant will receive the SSSF – Secretary Grant and a school in receipt of the Caretaker Grant will receive the SSSF – Caretaker Grant. Each eligible school will receive a minimum grant based on 200 pupils up to a maximum based on 350 pupils. Schools with enrolments between 200 and 350 will be paid on a pro rata basis.

Schools that have never reached a minimum enrolment figure of 200 pupils and therefore are not in receipt of the Caretaker or Secretary grants, are still entitled to the **SSSF Caretaker** (**€20.80** per pupil) and **SSSF Secretary** (**€26.90** per pupil) grants at the minimum grant of 200 x Rate.

6. **Programme Grants**
    a) **Transition Year Grant: €100** per pupil in Transition Year

    c) **Junior Certificate Schools Programme: €63** per pupil in First Year JCSP
    d) **Science Support Grant: Science grants €25** per pupil
    To further support schools in the implementation of the revised science subjects, the Physics and Chemistry Grant has been extended to include Biology and Agricultural Science in addition to the existing three qualifying subjects Chemistry, Physics, and Physics and Chemistry (PhysChem), and the grant has been increased from €13 to €25 per student per (qualifying) subject.

An administration support grant will be provided. The Administration Support Grant is made up of two parts (core administration days and supplementary support days).

The core administration days may be used to employ a person to work for a specified number of days in advance of, or during, the 2026/27 school year to carry out administrative work on the scheme. The daily rate sanctioned by the Department for this work is €172.60, which includes holiday pay. The Department will provide an additional 11.40% to cover the employer PRSI cost.

The supplementary support days may be used to employ students/other individuals to help the school with the implementation of the scheme. Students/other individuals will be paid the current minimum wage appropriate to their age. Schools will be allocated funding of €14.15 per hour. For the purposes of the supplementary support days grant calculation, a day is taken to mean 7 hours. The Department will also provide an additional 8% to cover holiday pay and an additional 11.40% to cover employer PRSI cost.

The number of days allocated are based on the enrolment size.

   - Is í an Roinn a íocann rúnaithe scoile atá fostaithe faoi scéim 1978 go díreach agus dá bhrí sin, níl aon scoil dá leithéid i dteideal na ndeontas rúnaí thuas beag beann ar a figiúr rollaithe.

   - Rúnaithe scoile atá fostaithe i bpoist fhaofa maoinithe ag airgead arna sholáthar ag an Oireachtas agus atá clúdaithe ag téarmaí chomhaontú 2022 an Choimisiúin um Chaidreamh san Áit Oibre (WRC) agus téarmaí Chiorclán 0036/2022: Tá obair ar bun chun modh a aithint chun an laghdú ar na seirbhísí tacaíochta/deontais choimhdeacha a chaighdeánú don fhadtéarma ina bhfuil rúnaithe scoile á n-íoc ar phárolla na Roinne.
