Annual Reports Outstanding Prior to 2019

Annual reporting forms are pre-populated for the years 2019* - 2025. However, annual report forms outstanding prior to 2019 are not pre-populated. If you have not already done so, please input the information required and submit any outstanding annual report forms starting with the oldest **as soon as possible**.

If you find information that is incorrect in the pre-populated form, simply correct it on the pre-populated form. [Please inform the FSSU of any corrections you make.](#)

*(2019 reports will not be pre-populated for Community and Comprehensive schools as accounts were not submitted to the FSSU for that period.)
